Top Stories PM reviews progress of Aadhar, DBT programmes

New Delhi : Prime Minister Narendra Modi reviewed the progress of Aadhar and Direct Benefit Transfer (DBT) programmes at a high-level meeting in New Delhi yesterday. In the meeting, Mr Modi was informed about the progress made in Aadhar number generation and seeding of official databases with Aadhar numbers.

He was also informed that in 2015-16, 61,000 crore rupees were distributed to over 30 crore beneficiaries using Direct Benefit Transfer. This includes over 25,000 crore rupees in MGNREGA and over 21,000 crore rupees in PAHAL for LPG.

Government launches solid waste management app

New Delhi : The Environment Ministry on Monday launched a web-based application, Integrated Waste Management System (IWMS), to help in tracking the movement and management of solid waste. Environment Minister Prakash Javadekar said the app would help in monitoring 43,000 industrial units responsible for producing hazardous waste, while also providing state and nation-wise data on waste generation.

Cellular protein process observed for 1st time

New Delhi : Scientists for the first time have observed the cellular process of 'Translation', which is critical to cell's protein formation process. The discovery will help scientists learn the regulation of the protein generation process and gain insights into diseases that occur when translation is faulty, particularly in cases of neurological and cancerous protein malfunctions.

Collector and Development Commissioner inaugurated Pre-Marital Counseling and Awareness Camp-2016

Shri. J. Ashok Kumar, IAS, Collector and Development Commissioner delivering inaugural address.

Kavaratti: The Department of Woman and Child Development has organized a programme on Pre-Marital Counseling and Awareness Camp-2016 on 4th April, 2016 at Paradise Hut. Shri. J. Ashok Kumar, IAS, Collector and Development Commissioner was the chief guest of the function. In his inaugural address, Collector and Development Commissioner said that, Pre-marital counseling will help each partner assess his or her personal readiness for marriage. Premarital counseling will give you the skills to prevent or to be better able to deal with any difficult habits and unhealthy relationship

patterns that can be hard to break once they are well established. CDC, added. CDC expressed his happiness to see woman's participation in the function. Shri. U. C. K. Thangal, Chairman, Wakf Board presided over the function. In his presidential address Shri. U. C. K. Thangal appreciated the Department for conducting pre-marital counseling and awareness camp for woman.

Lakshadweep Times wishes the officers a good and pleasant tenure in Lakshadweep.

India needs growth rate of 9% to end poverty: President

New Delhi : President Pranab Mukherjee has said that India will have to raise its growth rate to 8.5 to 9 per cent annually for the next 15-20 years in order to ensure that poverty is totally eliminated. He made these comments while interacting with a group of 2014 batch trainee officers from Indian Economic Service at Rashtrapati Bhavan yesterday. President said, he is proud of what India has achieved and is optimistic about what it can achieve. He said, expectations from

them are high and a big responsibility rests on their young shoulders. The President told the trainees that the service they have joined provides them opportunity to serve the people and country for many years and that they will also have to advise the political executive in policy formulation.

President Pays Floral Tributes to Gurudev Rabindranath Tagore on his 155th Birth Anniversary

The President, Shri Pranab Mukherjee paying floral tributes at the portrait of Gurudev Rabindranath Tagore on his Birth Anniversary, at Rashtrapati Bhavan, in New Delhi on May 08, 2016.

New Delhi : The President of India, Shri Pranab Mukherjee paid floral tributes to Gurudev Rabindranath Tagore on the occasion of his 155th birth anniversary at Rashtrapati Bhavan on

May 8, 2016. He paid floral tributes in front of a portrait of Gurudev Rabindranath Tagore at Rashtrapati Bhavan. Officers and staff of Rashtrapati Bhavan were present on the occasion.

Skin cells used to restore vision for 1st time

New Delhi : In a first, Japanese scientists have successfully transplanted cells from a patient's skin into her eye, partially restoring her lost vision. In the surgery, conducted in

2014, researchers took out a 4-millimeter piece of skin from her arm and modified its cells, turning them into pluripotent cells – cells that can give rise to any of the cell types.

Livestock insurance schemes being implemented in various states: Govt

New Delhi : The government said that department of animal husbandry and fisheries is implementing Livestock insurance schemes in various states in the country for fishermen. Replying to questions in the Lok Sabha, Agriculture minister Radhamohan Singh said, the scheme is implemented in all the districts of the country from the 21st of May, 2014. Mr Singh said Livestock insurance scheme is

applicable in the entire country including drought affected states.

The minister said the insurance coverage is two lakh rupees against death or permanent total disability. Mr Singh also informed the House that the availability of fodder and water for Livestock in drought affected states are provided by the states in cattle camps under state disaster response fund.

'PMMY benefits yet to reach last mile borrower'

New Delhi : Major financing under the Pradhan Mantri MUDRA Yojana (PMMY) "has been done to existing borrowers and is yet to reach the last mile borrower", the Confederation of All India

Traders said. The initiative was launched in 2015 to provide funding to the non-corporate business sector. So far, over 11 lakh crore of loans have been disbursed under the scheme.

Centre takes measures to check prices of essential commodities: Paswan

New Delhi : Consumer Affairs, Food and distribution minister Ram Vilas Paswan said that the centre is taking many measures to check the prices of essential commodities. Replying to questions in the Lok Sabha, Mr Paswan said national consultation meeting of the State ministers in charge of consumer affairs held on 7th July last year in New Delhi resolved to take steps to keep prices of essential

commodities, especially pulses and onion under control. Mr Paswan said, regular review meeting on price and availability situation is being held at the highest level including at the level of Finance minister. The minister informed the House that export of onion were restricted through imposition of Minimum Export Price when prices were ruling high and

Minicoy: An Electricity Consumer Awareness Programme was organized by the Consumer Grievances Redressal Forum of the Lakshadweep Electricity Department at Rangmanch auditorium on 9th May, 2016. Shri. M. N. Chandren, Chairperson, CGRF and Shri. Ameer Puthiyathanoda, Member of CGRF visited Minicoy from 8th to 10th May 2016 for the first time to organize the awareness programme.

Shri. P.P.Sayed Ismail Koya, Assistant Engineer, Electricity welcomed the gathering with special reference on the CGRF and briefed about the functioning of the department. In his presidential address Shri. O.Ibrahim Manikfan, Vice Chairperson, VDP requested consumers to be aware of the rights of consumer and act accordingly.

Shri. L.G. Ibrahim, Chairperson VDP

inaugurated the programme and explained about the important role of a consumer and requested to make forward their grievances to the redressal forum and make use of the simple procedure.

Shri. M.N.Chandren, Chairman Consumer Grievances Redressal Forum highlighted the main aims and objectives of the CGRF and its functioning in Lakshadweep since 2010. He briefed the procedure and methods of submitting grievances to the forum in regard to electricity department and the role of a consumer. He also cleared the doubts raised by the consumers in the function.

P a m p h l e t s containing details of the CGRF and procedures in Mahal language were distributed in the function. Finally Shri. Ameer Puthiyathanoda, Member CGRF proposed a vote of thanks at the end.

Mercury to transit across the Sun on May 9

New Delhi : Mercury will transit in between the earth and sun today, in what is described as a rare celestial event. The event, which occurs approximately 13 times every century, will be visible from all parts of India starting from around 4:40 pm. Dwarka in Gujarat will experience the longest transit of about 2 hours and 43 minutes.

Indian Navy launches underwater vigil system in Visakhapatnam

New Delhi : Indian Navy has launched the state-of-the-art Harbour Defence Systems, viz., Integrated Underwater Harbour Defence and Surveillance System (IUHDSS) and Mine Warfare Data Centre (MWDC) which would enhance the Navy's surveillance capability and response to security threats at the Naval Dockyard in Visakhapatnam yesterday. Vice Admiral HCS Bisht, AVSM Flag Officer Commanding-in-Chief, Eastern Naval Command inaugurated the two systems.

The IUHDSS is a multi-sensor system capable of detecting, identifying, tracking and generating warnings for all types of surface and underwater threats to Visakhapatnam harbour. Post 26/11, the Indian Navy

was made responsible for the security of the country's vast coastline of 7516 km in coordination with other agencies like Indian Coast Guard, Marine Police, Fisheries, etc.

The creation of the Sagar Prahari Bal, induction of Fast Interceptor Crafts (FICs) and commissioning of the IUHDSS are some of the Navy's measures to strengthen security. While the MWDC will collate, analyse and classify data collected by the Navy's Mine Hunting Ships from various ports along the East coast. This state-of-the-art facility will be the nodal centre for maintaining an underwater information database of harbours along the East coast. The Harbour Defence Systems will function under the control of the Naval Officer-in-Charge (Andhra Pradesh), Commodore Sanjiv Issar.

India emerges as world's biggest renewable energy lab: Richard Verma

New Delhi : US envoy Richard Verma has said India has emerged as the biggest renewable energy lab in the world and is at the threshold of dynamic growth in the deployment of smart grid technology. Mr Verma yesterday visited Tata Power Delhi Distribution's Smart Grid Lab in Rohini and Tata Power grid connected 225 KW Solar Power Plant in the vicinity. He said, it is great to see how the US

government, companies and Tata Power grid are collaborating towards the use of smart technology for the common good. Chief Executive Officer of Tata Power-DDL, Praveer Sinha said, he strongly believes that the Indo-US collaboration in the power sector especially related to new technology implementations can help India meet its rising energy demand.
